Burton Overy Community Watch Scheme. This scheme alerts residents to incidents of crime or other issues occurring in the village via a network of 14 volunteer co-ordinators who cover a group of neighbouring houses. If you see something suspicious or suffered a local crime, please share it to raise awareness and work together to reduce future occurrences via your local contact who is:

.....
Rural Watch Scheme. This has just been launched by Leicestershire Police as a free scheme set up to support rural communities in the fight against crime by providing fast time updates of crime affecting our rural community.

Good Neighbour Scheme (GNS). This is currently being developed together with a local emergency plan. The purpose is to co-ordinate the many resources available in the village to assist each other in circumstances that do not require the emergency services. Further details in due course.
